[22:10] <neospartanhesperos9> this is nice. no bs perks, no wall running or high jumping
[22:10] <christianoveras> This is how
[22:10] <johngaltwho> Battlefront could be good if it learns from the first
[22:10] <christianoveras> ...
[22:10] <christianoveras> you do it.
[22:10] <thesupervillain543> @JohnGaltWho did you play the beta
[22:10] <christianoveras> lol
[22:10] <johngaltwho> I did not
[22:11] <thesupervillain543> it was very clunky
[22:11] <thesupervillain543> they completely reworked the gameplay
[22:11] <johngaltwho> Damn that doesn't make me feel any better
[22:11] <kozatof> @johngaltwho battlefront 2 is p2w crap
[22:11] <eternia_forever> true assassin
[22:11] <damongoose42> I know Battlefront is gonna be worse, but i'm a starwars fan to the core so I am obligated to hope it isn't
[22:11] <christianoveras> That BAR is gonna fire like crazy
[22:11] <thesupervillain543> feels like running through water
[22:11] <eternia_forever> damm

[22:12] <fasteddy> when are you going to play zombies
[22:12] <johngaltwho> I'm curious about origins. Not enough to drop sixty three bucks on it though
[22:12] <thesupervillain543> @JohnGaltWho the first battlefront wasnt bad there just wasnt enough content
[22:12] <christianoveras> When he plays zombies
[22:12] <za_habibi> How many viewbots are in this chat?
[22:12] <johngaltwho> Agreed. It needed a single player mode and nobody gave a shit about the dlc maps
[22:12] <fatestayjedi> won't he do the co op zombies as usual?
[22:12] <flyeaglesfly01> @za_habibi 2
[22:13] <christianoveras> Is Rey a Kenobi? or nah....
[22:13] <thesupervillain543> They could easily just take the build from the first battlefront and just implant all content from the original battlefront II and it wouldve been a classic
[22:13] <ugetcrushed> That gun has so little recoil NotLikeThis
[22:13] <eternia_forever> lol
[22:13] <damongoose42> cuz cod
[22:13] <thesupervillain543> but they rushed it because they needed to tie it into the movie
[22:13] <thesupervillain543> greedy fucks
[22:13] <johngaltwho> I went back and played battlefront 2. Doesn't hold up as well as I thought it would
[22:13] <thesupervillain543> damn
[22:14] <thesupervillain543> i put in at least 100 hours of single player game play on that game
[22:14] <thesupervillain543> on psp and ps2
[22:14] <christianoveras> The BAR is the ACR of WW2
[22:14] <johngaltwho> But then again I tried to go back and play Hitman 2 and I just cannot
[22:14] <eternia_forever> gordons alive ?
[22:14] <eternia_forever> hes pressing buttons
[22:14] <johngaltwho> After Hitman 6 I can't go back to those clunky bad controls
[22:14] <thesupervillain543> true

[22:14] <thesupervillain543> gaming has evolved
[22:14] <thesupervillain543> from a mechanics perspective
[22:15] <neospartanhesperos9> hitman ResidentSleeper
[22:15] <johngaltwho> Even watching Phil play Spyro
[22:15] <damongoose42> not fps's tjp

[22:16] <christianoveras> lol
[22:16] <johngaltwho> Agreed. I've put hundreds of hours into soulsborne. Such a good series.
[22:16] <damongoose42> large developement companies are getting more and more corrupt
[22:16] <za_habibi> Is DSP in a relationship? I heard he had a gf
[22:16] <materiaxsmasher> i cant control my heart sorry
[22:16] <thesupervillain543> Even last of us
[22:16] <christianoveras> John Wick is the best assassin really
[22:16] <johngaltwho> Small ones are corrupt too. Once they realize how easy it is to bleed suckers out of money they will all use loot boxes
[22:16] <thesupervillain543> wasnt original
[22:16] <thesupervillain543> great narrative
[22:16] <fatestayjedi> loot boxes NotLikeThis
[22:16] <christianoveras> The Equalizer is ok too
[22:16] <thesupervillain543> but the gameplay was arkham and uncharted

[22:17] <christianoveras> Justice League November 17th!
[22:17] <thesupervillain543> I fucked around and played through Arkham City in one sitting
[22:17] <damongoose42> the cod team has clearly never heard of strategic spawn placement and directional map layouts
[22:17] <johngaltwho> I've also gotten all the riddler trophies in every game.
[22:17] <ugetcrushed> SeemsGood
[22:18] <johngaltwho> Except origins
[22:18] <thesupervillain543> damn thats tough
[22:18] <thesupervillain543> yeah origins sucked
[22:18] <thesupervillain543> shitty spin off

[22:19] <za_habibi> DSP, how are you? I heard you broke up with your gf recently
[22:19] <thesupervillain543> lacking in gameplay but narrative was some of the best ive ever seen
[22:19] <christianoveras> @DarksydePhil Seeing Justice League?
[22:19] <johngaltwho> It depresses me far too much. I made it to episode four and couldn't go on
[22:19] <young_wobblez> @za_habibi Oh look a troll.
[22:19] <thesupervillain543> i feel you
[22:19] <johngaltwho> He's a weak ass troll
[22:19] <alexander_rossi> just watch a cam rip on pirate bay phil
[22:19] <damongoose42> IE not spawning players within a certain vacinity, or placing spawn areas on opposite sides of the map, with cover placed accordingly. nothing of that sort, its just a constant double reacharound clusterfuck

[22:26] <enigmatheory> The problem is that the games listed "walking dead and Until dawn" both have great stories, but the gameplay is lackluster. Gameplay makes a game
[22:26] <christianoveras> Who's taking the last shot? LeBron, Curry, MJ or Kobe?
